

# **Forestry Field Day in Ripley County at the Drockelman Demonstration Forest**

**Wednesday, September 24, 2008, 5 to 7:30 p.m.**

Timber was sold on this property in 2000 and timber stand improvement was completed in 2003. The emphasis of this field day will be on harvesting timber and timber stand improvement. Speakers will include private consulting foresters Dan Meisberger, Joe Schuerman, and Steve Doll, and DNR District Foresters Jayson Waterman and Darrell Breedlove.

Location: take State Rd. 129 south from Batesville, go east on County Rd. 1100N for 2 miles, go south on County Rd. 500E for 1/2 mile, and the woodland is on the right.

This field day is sponsored by the Ripley County Soil & Water Conservation District and Historic Hoosier Hills Resource Conservation & Development Woodland Committee.
